**REPORT ON ENVIRONMENTAL AWARENESS JATHA
PROGRAM**

DATE: 14.10.2024

Environmental Awareness Jatha started with great enthusiasm at our college to raise awareness among students about environmental issues and the importance of sustainable living. The event aimed to inspire students to take action and contribute to the preservation of the environment. The Jatha started with portraying the significance of Environment around us.

Our esteemed principal, Mrs. Rupa Padmanabhan, addressed the students during the Jatha. She highlighted the significance of Environment around us and urged everyone to be responsible stewards of the environment. Her impassioned words left a profound impact on the audience, instilling a deep sense of responsibility and inspiring a renewed commitment to environmental conservation.

Professor Harish delivered an inspiring speech on the importance of Environment. He discussed the environmental issues faced globally and encouraged students to play their part in conservation efforts. Prof. Harish motivated students to make simple changes in their daily lives, such as reducing waste, conserving energy, and practicing recycling.

The Environmental Awareness Jatha program started from our college successfully conveyed the importance of environmental protection and sustainable living. The speeches by the principal and Professor Harish motivated students to take action.

Overall, the event was a reminder of our collective responsibility to safeguard the environment. It inspired students to make conscious choices and contribute towards creating a healthier and greener planet.
